Registration Department

Certificate of Registered Compliance

Quality Systems Registration Department has assessed the Quality Management System of:

Warner Brothers Foundry Company

29955 Groesbeck Hwy
Roseville, Michigan 48066

The scope of the registered compliance is:

Aluminum, brass & bronze and other non-ferrous alloy casting facility that manufactures products to the designs of our customers.

The management system was assessed for compliance with:

AS9100:2016

Compliance was determined by an audit of a sample of documentation and activities of the company's facilities. Compliance must be reassessed at defined intervals throughout the course of the registration period. Audits were conducted in accordance with the requirements of ISO 19011:2018.
